Application Number: 09/628,146  
Filing Date: 7/28/2000  
Applicant: N. DiPrinzio  
Examiner/ AU: M. Henderson/ 3722  
Application Title: *Magnetic Page Marker*  
Docket Number: 102

**AMENDMENT**

Sir:

In response to the Office action of 5/9/03, please amend the above-identified application as follows:

**In the Claims:**

1. (Currently Cancelled) A magnetic clip marker for use in engaging and marking a page of a book, the clip marker including in combination:  
a pair of wall members aligned and joined together, with said pair of wall members comprised of a base portion and a clip portion overlapping said base portion to define a throat therebetween and structurally arranged to receive a page of a book between said base portion and said clip portionsportion;  
magnetic members aligned with respect to one another and mounted to the base portion and said clip portion to permit contact therebetween; and  
a cover member covering said magnetic members on said overlapping base portion and said clip portion to permit the page of the book to be readily received within said throat of the clip marker.
2. (Currently Amended) The magnetic clip marker in accordance with claim 421, wherein at least one of the external surfaces-surface of the page-clip marker opposite an opening of said throat opening provides an application surface for graphic prints.
3. (Currently Amended) The magnetic clip marker in accordance with claim 421, wherein a signaling tab member extends outwardly from the joined pair of wall members.
